*The Laughter, The music,  
The talent, The fun, The  
Monday thru Friday  
— The experiences*

# 1985

## HAPPENINGS

# Let Them Laugh

Laugh

Whether they were from Boston or New York, they always played to standing room only crowds. The comics provided the students a chance to get away from their studies and get a good hearty laugh. Each comic was unique and can usually allow someone to relate to him. The comic's talents ranged from impressions to political jokes, each funny in its own way.

# Anything Goes

How many goldfish would you eat for a UNH jacket? How about for a Stroh's light? What would it take for you to roll around in a baby pool of rice krispies—after honey was spread all over you? UNH students were found to do almost "Anything" for a prize. Tim and Stu of the Social Dept. challenged anyone in the audience to do anything they wanted. The result was a night full of zany acts and lots of fun.

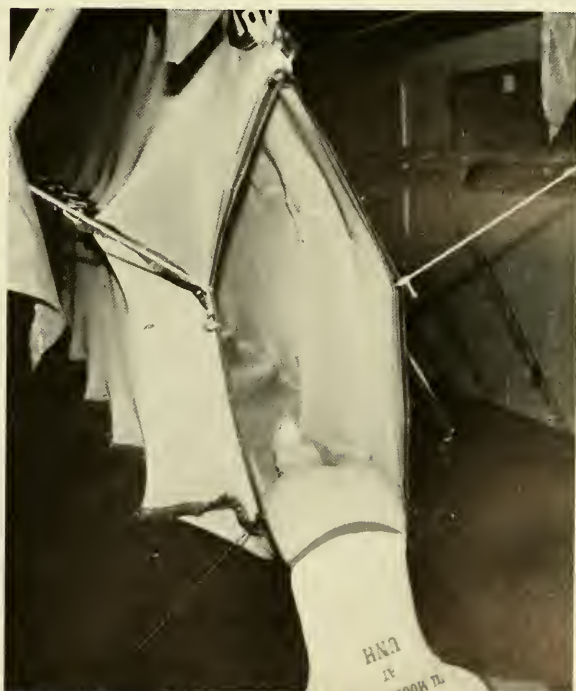

## Outrageous

The cafeteria was packed to capacity as UNH students teamed up for some outrageous competition. Unlike normal athletic events, this competition involved some crazy twists and turns. Students raced the clock as they struggled through a jungle of rubber cords, leaped through a tire tube, and strived for control up a twisting ladder. Along with all its fun this annually held event required an entry fee which went towards United Way.

# Introducing the Ruden St. Rockers

Talent is found in students of various majors. Some students on campus are doing some rock & rolling when they are not in class. Our own UNH band appeared in the Tavern to show the students what they've got. The band includes singers both male & female, trumpets, guitarists, saxophones, keyboards and drums. Some may be on the road to success, some are just out for the fun.

# Hot Acoustics

One would never believe so much sound could come from two people. The tavern was filled with students enjoying the music of Grateful Dead, Hot Tuna and more. This successful event gave students a chance to just sit back and relax.

## Ray Boston

Every once in awhile, the Tavern is seen filled with kazoo playing, knee slappin' and foot stompin' students. Ray Boston is one man and one guitar and a whole lot of fun. If it is a fun audience participation song, one can bet Ray knows it. This is one form of entertainment where the audience makes the show.

# Now Appearing in the Charger Tavern: ADX & Special Guest

The Charger Tavern hosted a change of pace band one April night. Influenced by witchcraft, the band members of ADX appear in black with candles glowing and incense burning. Their special guest is a band whose members attend Southern CT State College.

# AIR GUITAR/LIP SYNC CONTEST

A sell-out crowd is attracted to the likes of John Cougar, Tina Turner, Cyndi Lauper, Twisted Sister, Elvis Presley, and more. Moves and the grooves are copied from famous stars from all over. The guitars were invisible and the music was in records but the appearance was ALIVE. The Business School Auditorium was filled with a boogeying, rockin' and boppin' crowd.

# The Surf Is Up!

The sand and the surf were not physically present, but the mood was there. Beach fun in March??? It may have been cold outside, but inside the heat was pouring. UNH students were splishin' and a splashin' while the video DJ cranked out the latest tunes. Some folks really got into the spirit by wearing their favorite beach attire.

## May Day

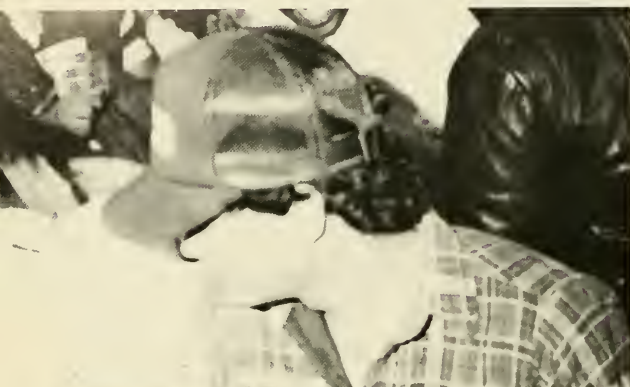

The rain didn't hold back the festivities. The tents went up, the bands arrived early. Clubs and organizations were there doing their part towards adding to the day. This years band featured Nucleus, Funkestra, Ramones and Elliot Easton. The chosen bands gave a well rounded selection of music. The days events were given a carnival aura by the addition of Camel and Elephant rides. Overall, May Day was an exciting end to the school year.

**Chi Kappa Rho** is very active on campus. They sponsor social events and perform services for the community. The purpose of XKP is to promote closer friendships among the girls of the University.

**Delta Upsilon** is an International Fraternity with headquarters in Indianapolis. It was founded in 1834 and is the oldest active fraternity in the U.S. and Canada. Beginning at the University of New Haven in the fall semester of 1980, we have since grown to thirty active brothers. Our principles are: The promotion of friendship, The development of character, The diffusion of liberal culture and advancement of justice. We are a social fraternity, but we have established very high academic standards. Delta Upsilon is unique, it is a non-secret fraternity and hazing is not allowed. Community service activities and promoting student life on campus are part of our goals. Delta Upsilon Fraternity will show you how to become the leader of tomorrow.

ZBT Little Sisters is a counterpart of the Zeta Beta Tau Fraternity. The Little Sisters have been in existence on the UNH campus since April 17, 1980. As a service and social organization, its purpose is to promote social responsibility, intellectual awareness, integrity, and sisterly love.

We, the members of Zeta Beta Tau Fraternity of the University of New Haven, exist in order to unite more closely the members of ZBT to the University, to establish a more social atmosphere to the standard of our academic well-being, and to call forth the higher and nobler attributes of our nature through our mutual and fraternal endeavors.

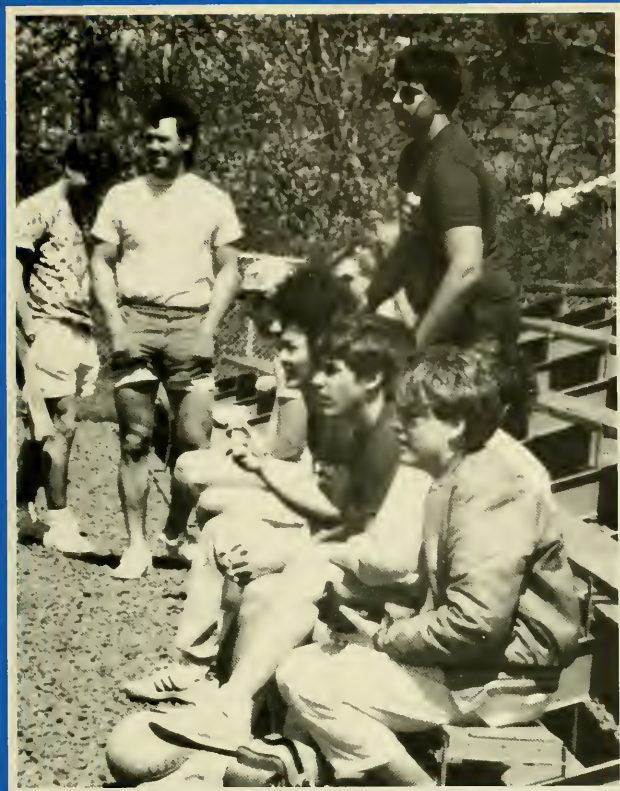

# Greek Superstars

The Greeks came out in full force. Representatives from fraternities and sororities along with the Hotel/Restaurant Society got together for some fun-filled competition. Events included a relay race, obstacle course, egg toss, three-legged race, and more. Points were given for each event, a tally of all events resulted in Zeta Beta Tau coming out on top.

The American Society of Mechanical Engineers is a national society for the dissemination of knowledge on all aspects of mechanical engineering.

Beta Beta Beta Chapter 55 was established on the UNH campus in response to the needs of biology and other science-oriented students and is thus flexible in its activities and concerns. The major focus of attention, however, is twofold and rests on the following areas: 1) the promotion and proliferation of various aspects of science 2) the dissemination of the ideal "for the students, by the students, of the students" for the advancement of better student life and interrelations. We, the members of Tri-Beta extend our heartiest congratulations and wishes for a successful future to the graduates of '85.

The **Communication Club** assists other clubs and committees of the D.S.G. with lighting, sounding, staging, and taping such events as theatre productions, talent shows, and game shows. The club provides hands-on experience to all interested students in video-taping, 16mm film production, and audio production. The club also assists Communication majors in pursuing their career interests outside of the classroom and studio. The Comm. Club is Fun!

The University of New Haven **Computer Club** was founded last spring by Joseph Ferrara and Michael Chasse. Its purpose is to provide an opportunity for those interested to meet, discuss, and take part in computer related and social activities. Membership is open to any UNH student, and you do not have to be a computer "whiz" to join. In its first year, computer club activities included — the development of an "electronic" magazine and newsletter on the school's academic computer center; a field trip to Boston and the computer museum; the co-sponsoring of social events to raise club funds; organized computer game competitions; and guest speakers at meetings. More is planned for the future.

The **Forensic Science Society** is an elite professional organization catering to the science of law enforcement. The society provides experience and confidence in crime scene investigation and processing, laboratory analysis, and specialized law enforcement techniques. The organization annually attends the North Eastern Association of Forensic Scientists conference and visits various forensic laboratories. The society welcomes any self-motivating student with a true interest in the scientific aspects of today's law enforcement.

The **Fire Science Club** of UNH is an organization dedicated to the promotion of Fire Safety and Fire Protection. Some of the recent accomplishments have been — The implementation of the university's fire prevention and escape plan and assisting in fire prevention regulations and renovations within the residential occupancies.

The **Hotel & Restaurant Society** is a student operated catering organization on campus whose main objectives are to introduce hands on experience, fellowship among members, and give a better understanding of the hospitality industry.

The **English Club** is comprised of individuals from many academic fields. We students strive for academic excellence and success in our extra-curricular activities. We share a common interest in promoting literature, the English language and the fine arts. Our main function is to produce the UNH literary magazine, "The Noiseless Spider", and to enjoy each others diverse personalities.

The I.E.E.E. is a student branch of a national-professional society which promotes the knowledge and practice of all aspects of Electrical Engineers, Electronics, radio and allied branches of engineering or the related arts and sciences as well as the promotion of the professional development of the student.

The department of management sponsors a student chapter of the **Society for the Advancement of Management (SAM)** which is open to students interested in the art and science of professional management. This organization provides students and faculty with a professional and social experience that cannot be found in the classroom. Speakers, films, discussion groups and other activities are scheduled and open to all those interested in attending.

# The Chariot

The Chariot Yearbook staff can be known as a zany group of individuals dutifully doing all possible to produce a yearbook and maintain their noted social status. Our daily routine at the yearbook office includes laying out, shooting (pictures & treasurers!), using a scaleograph (it's not an X-ray), and basically raising our Hecticity level.

# Black Student Union

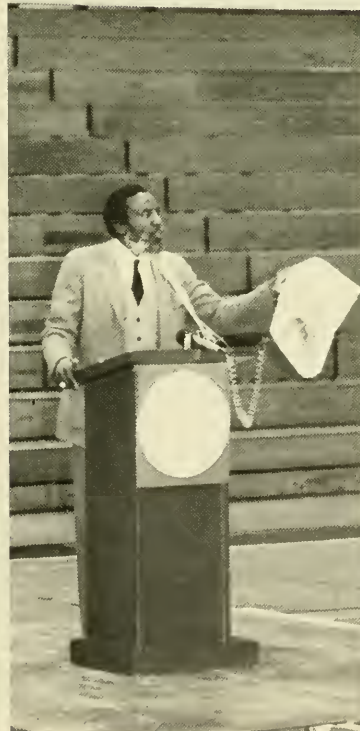

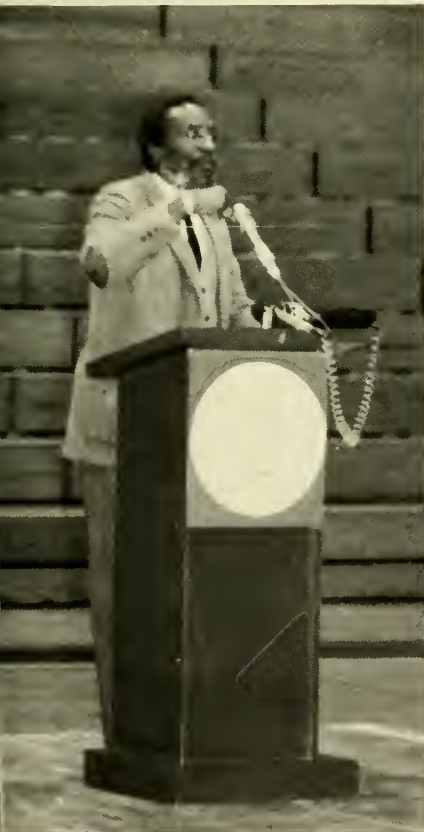

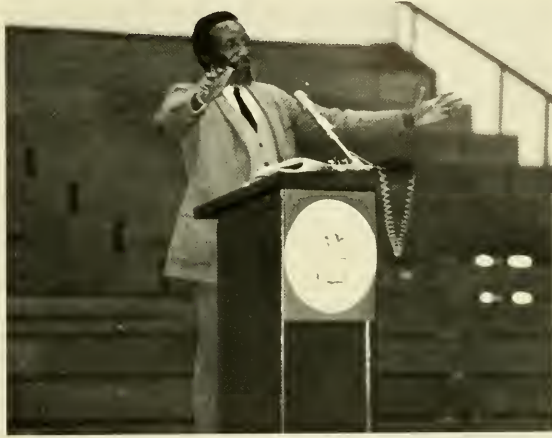

*The Black Student Union is one of many organizations sponsored by the D.S.G. . The objectives of the Black Student Union are to promote cultural, social and educational awareness among the U.N.H. community. Of most importance to the leaders of the B.S.U. is the greater interaction among the student population.*

# Black History Month

The BSU presented its annually held Black History Month. Every year the BSU organizes a month of activities centered around giving the public a chance to recognize the history of blacks. This years activities included Dick Gregory, a noted activist speaker. Dick Gregory spoke on many controversial issues to an attentive crowd in the auditorium. A night of Carribean Entertainment was one of the added highlights of the month.

# ISA

The International Student Association's objectives are to make international students an important, visible resource on campus and its surrounding community. The ISA consists of five council members who are from all over the world. These students collaborate their ideas while working towards a common goal. One of which is to integrate all international students with Americans and with one another. During the past year, we have had many events. The ISA's biggest event is the International Banquet in the spring. Other events include the bowling tournament, Big E, Goodwill mission and many others.

## UN Day

Park Plaza in New Haven hosted an International affair. Internationals from the New Haven area, many of which are from UNH, got together to demonstrate their individual cultures. The day's highlights were exhibits from all over the world, cultural dances and music.

# DSG Awards

It is hard to describe the many aspects of the Day Student Government. There aren't any simple words to show what the DSG has been or what it is supposed to be. The DSG involves over 50 clubs and organizations of the social and service nature. It involves the running or overseeing of virtually every extra-curricular event on campus. The work of the students on a daily, weekly, and monthly basis goes virtually unnoticed. As each year unfolds, the members can look back and be grateful for their own accomplishments while looking forward to those in the future.

## ACADEMICS

# The 1985 Chariot Yearbook Is

*You never know  
until you try.  
And you never try  
unless you **really** try.  
You give it your best shot;  
you do the best you can.  
And if you've done everything  
in your power, and still "fail" —  
the truth of the matter is  
that you haven't failed at all.  
When you reach for your dreams,  
no matter what they may be,  
you grow from the reaching;  
you learn from the trying;  
you win from the doing.*

—Laine Parsons

# Dedicated to Professor Warren J. Smith

In recognition of your devotion to the education of this university community. You teach students to strive for excellence and inspire in them a thirst for knowledge.

## SPECIAL EVENTS

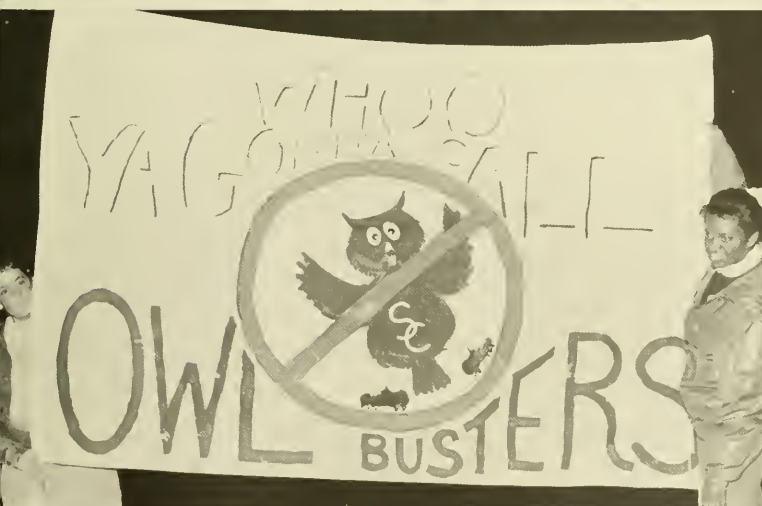

# UNH Alumni Stop by For Some Fun-Homecoming '85

Homecoming was given a glowing start Friday night. North Campus was roaring with cheer as the football players were being psyched by the light of a bonfire. Clubs and organizations showed their spirit with themed banners. The evening was highlighted by an inspirational message by the coach and the crowning of King and Queen. This year's homecoming surpassed other years by far.

The football game was preceded by a spiritual parade. Floats made by UNH clubs & organizations paraded across campus showing the true spirit of homecoming. Floats ranged from a football helmet to Southern's Death Mobile. Each float had its own message.

The new greeted the old on this Saturday afternoon in October. The new students presently attending UNH along with the Alumni Committee prepared a variety of activities to keep the graduates busy.

*Seniors:  
This Ones For You*

The Charger Tavern was the locale for this auspicious occasion. May 9th was set aside in honor of the UNH graduating seniors. Sponsored by the Chariot yearbook this night included a Jazz DJ, hot hors d'oeuvre, and a champagne fountain. Seniors were greeted at the door with "I love the class of '85" pins and their unofficial diplomas. Past yearbooks and photos were given out. The 1985 cover was unveiled with great enthusiasm.

# WNHU: Here's To Your New Location

Our radio station **WNHU** has to no longer face cramped spaces and out-of-date equipment. The radio station had reason to celebrate its new move to the main building. A reception was held to celebrate the move to a bigger and newer facility. As a station broadcasting to approximately 2,500 listeners and reaching most of Southern CT and Northern RI, the radio station received a well deserved promotion. The reception featured tours of its new facility including an enlightening view of WNHU operations.

# A Taste Of The Orient

Culture appears at UNH. A colorful array of Chinese dancers presented their native dances to the UNH community. The dancers with their grace and elegance delighted the audience.

# Mikata

UNH brings culture on to campus once again. An exciting African Dance Troupe came to UNH to show us how its done, African style. The night was filled with entertaining dance performances with coordinating music.

## Before

A group of delegates got together and decided that the "Rathskellar" as we knew it needed a new image. They met and came up with ideas to change the "Rat." A car raffle was held with a donated remake of the proceeds of the raffle went towards the construction of the new "Rat." The University matched the funds raised by the raffle and construction began that summer.

## After

In September, students came back not to the "Rat" but to the "Charger Tavern." The Grand Opening was held for what was an image change as well as a change in name. The old "Rat," now "Tavern" features a mirrored dance floor, a brass trimmed bar, the windows are gone and ceiling fans are added. Not to mention the stage containing the new video machine. The "Tavern" was an example of just one of the many changes that took place on campus in 1985.

# Jesus Christ Superstar

It all starts with the noise that can be heard down in rm.118B in the main building. Unknown to many, there is a little room on the second floor of the main building in which talented plays are presented each year. When you think that some students have disappeared from campus, it really means that they are hard at work getting ready to present another New Foundling Theatre production. Unknown talent is discovered as UNH students let themselves enter the world of theatre. Jesus Christ Superstar is one of the fantastic plays that the theatre presented in '85. It is a Broadway musical that UNH students showed great talent in presenting.

# Spring Is In The Air

Balloons filled the air and couples descended the stairs in divine attire. UNH students put aside their jeans and books for an elegant evening of good food, good music and good fun. The food was supplied by UNH's Hotel Restaurant and music was provided by "Company."

# MALAYSIAN '85 EXPOSITION

## Malaysian Exposition '85

The University of New Haven contains a large percentage of Malaysian students. As a group, these students presented an all-day affair exhibiting their home country to the University community. The day featured Malaysian clothes & accessories, Malaysian food, and Malaysian entertainment. The culture of Malaysia was beautifully demonstrated.

# The Accountants Deck The Lounge With Boughs Of Holly

The accounting club annually sponsors this seasoned event. The student center lounge becomes filled with Christmas spirit as novelties are sold. The atmosphere was complete with Christmas songs in the background and a guest appearance by Santa Claus.

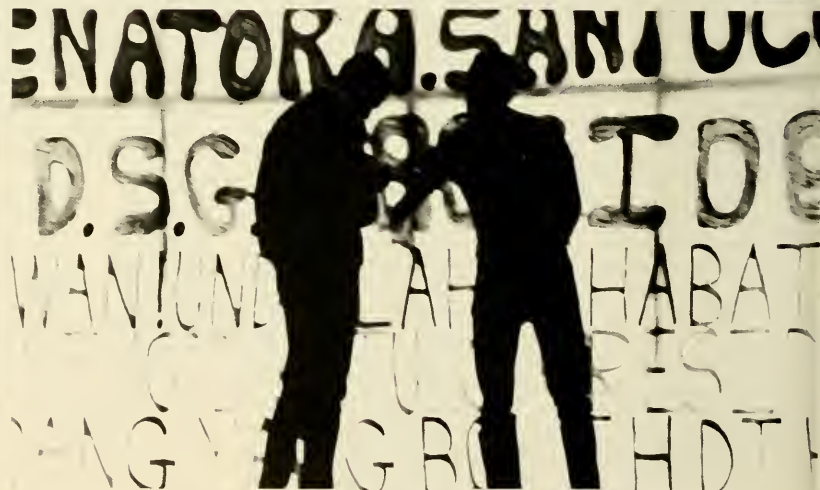

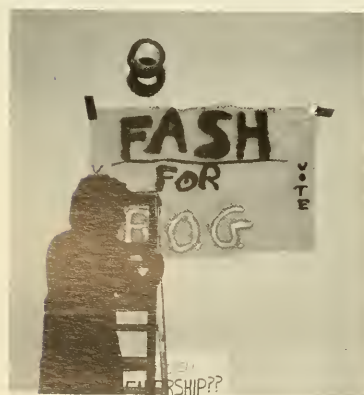

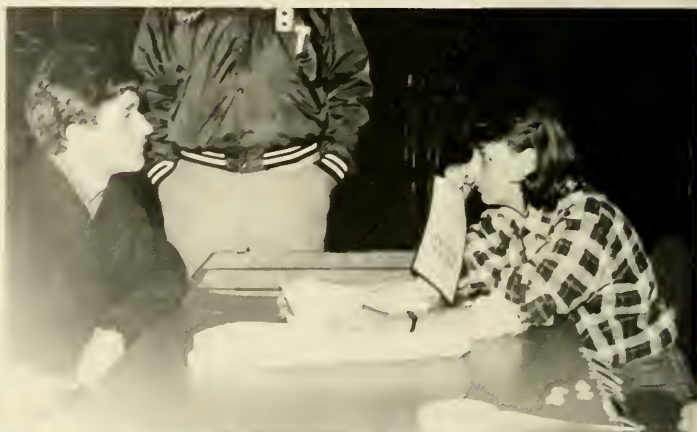

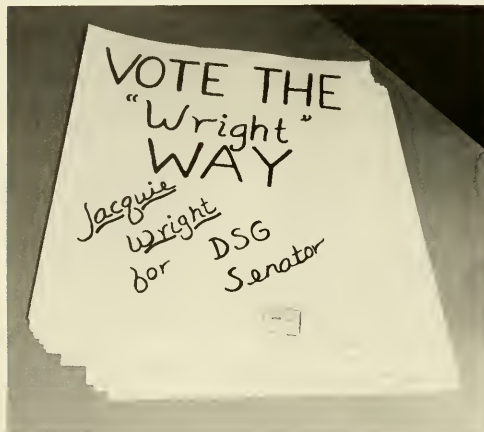

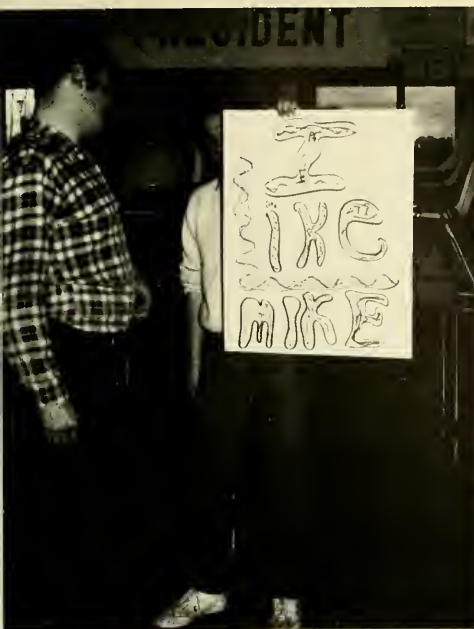

# The Race is on . . .

The announcement is made, the petitions for the office of DSG president, treasurer, and senators. Many students may have thought about running, but it is a select group of individuals who start their campaigning. It is now known that four people have decided to run for the important offices of president. As time passes, the tension builds — rumor is out that two people have dropped out of the race. Bruce Berger and Anthony Santucci are now on the election path. Poster parties begin, the crew of each candidate has been selected and are now hard at work producing election materials.

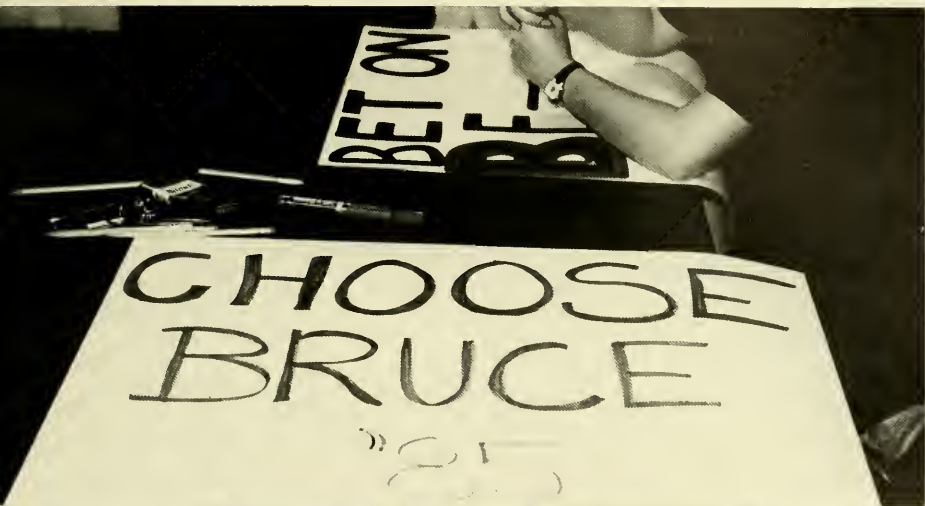

Bruce Berger treats his crew to a party while they work. Anthony Santucci is seen hosting an indoor and an outdoor reception. The traditional stayout starts off the week of campaigning. At the strike of 7am, the tired crews gang up some energy and hang up posters and sheets in every available spot. Two consecutive debates are held, each consisting of controversial issues. The campaigning is now done, the votes are in. Following a grueling three hour budget hearing meeting the results are announced. Anthony Santucci has been elected President and Michael Federico will remain as Treasurer this coming year.

## STUDENT LIFE

# Orientation

For many students, the transition from high school to College is somewhat of a culture shock. Each September and each January UNH hosts a two-day breaking-in period known as orientation. The two day's events try to culminate the essence of student life at UNH. This two day event is meant as a means for incoming freshmen to familiarize themselves with the campus, its programs and its people.

# . . . Dorms . . .

The Freshmen of 1985 are shown a new type of residential life. This year the dorms were only for Freshmen. It was up to them to develop their own home life . . . after class activity. Each room starts out the same but quickly obtains its own personality.

# My Room . . . My Style

# Immunization Clinic

Colleges in the Northeast were seeing spots pop up on many of their students. A Measle Epidemic was spreading across campuses. UNH took a preventive method by providing free immunization clinics for its students. It seemed to have worked since only a few students seem to have caught the horrible itching disease.

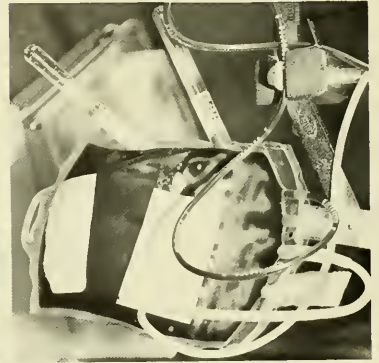

# ZBT Collects Pints

Zeta Beta Tau sponsors a bi-annual Blood drive with American Red Cross. Twice a year the fraternity opens the student lounge inviting everyone to help their fellow people and donate blood. Their last drive brought in 124 pints of blood. As one of the service/ social fraternities on campus, they are doing their part to help the community surrounding them.

**UNH Night  
at Buzzy's**

It's Wednesday and where are all the students? Well down Buzzy's of course. Down the street from the main campus is a small bar called Buzzy's Scoreboard. Buzzy's decor features completely sport oriented paraphernalia. Most of which is UNH alumni material. Wednesday night at Buzzy's has become a traditional mid-week release for many UNH students.

# TOGA . . . TOGA .

UNH students came to this party not in jeans, not in dresses, but in sheets. UNH proved that toga's are not just for Greeks. Under the tent and under the roof people were partying the night away.

*There's a trick to the Graceful Exit. It begins with the vision to recognize when a job, a life stage, a relationship is over — and to let go. It means leaving what's over without denying its validity or its past importance in our lives.*

*It involves a sense of future, a belief that every exit line is an entry, that we are moving on, rather than out.*

*The trick of retiring well may be the trick of living well. It's hard to recognize that life isn't a holding action, but a process. It's hard to learn that we don't leave the best parts of ourselves behind, back in the dugout or the office. We **own** what we learned back there. The experiences and the growth are grafted onto our lives. And when we exit, we can take ourselves along — quite gracefully.*
